Issued by: Sgt. Lonnie Brazzel
Time: 6:00 pm
Topic: Possible Hit and Run Incident

The Hurst Police Department is currently investigating a possible Hit and Run accident that occurred last night (Tuesday, July 25th) at approximately 10:45 pm in the 700 block of East Pipeline Road in Hurst. Police and medical personnel were called to the scene and found a 20 year old male lying on the sidewalk with multiple injuries near what was believed to be his skateboard. The male was unable to clearly communicate what happened to him due to his injuries and was transferred to a local hospital by ambulance. Initial investigation at the scene was unclear whether the male had been struck by a vehicle while skateboarding or if he had received his injuries from a fall. Further investigation indicates the male was likely struck by a vehicle, possibly a pickup truck. The male is currently listed in critical but stable condition at the hospital and has not been able to speak to investigators. The Hurst Police Department is asking that anyone who might have witnessed this incident or has further information to contact us as soon as possible.
